

The Pine Cone 1961

THE

PINE CONE

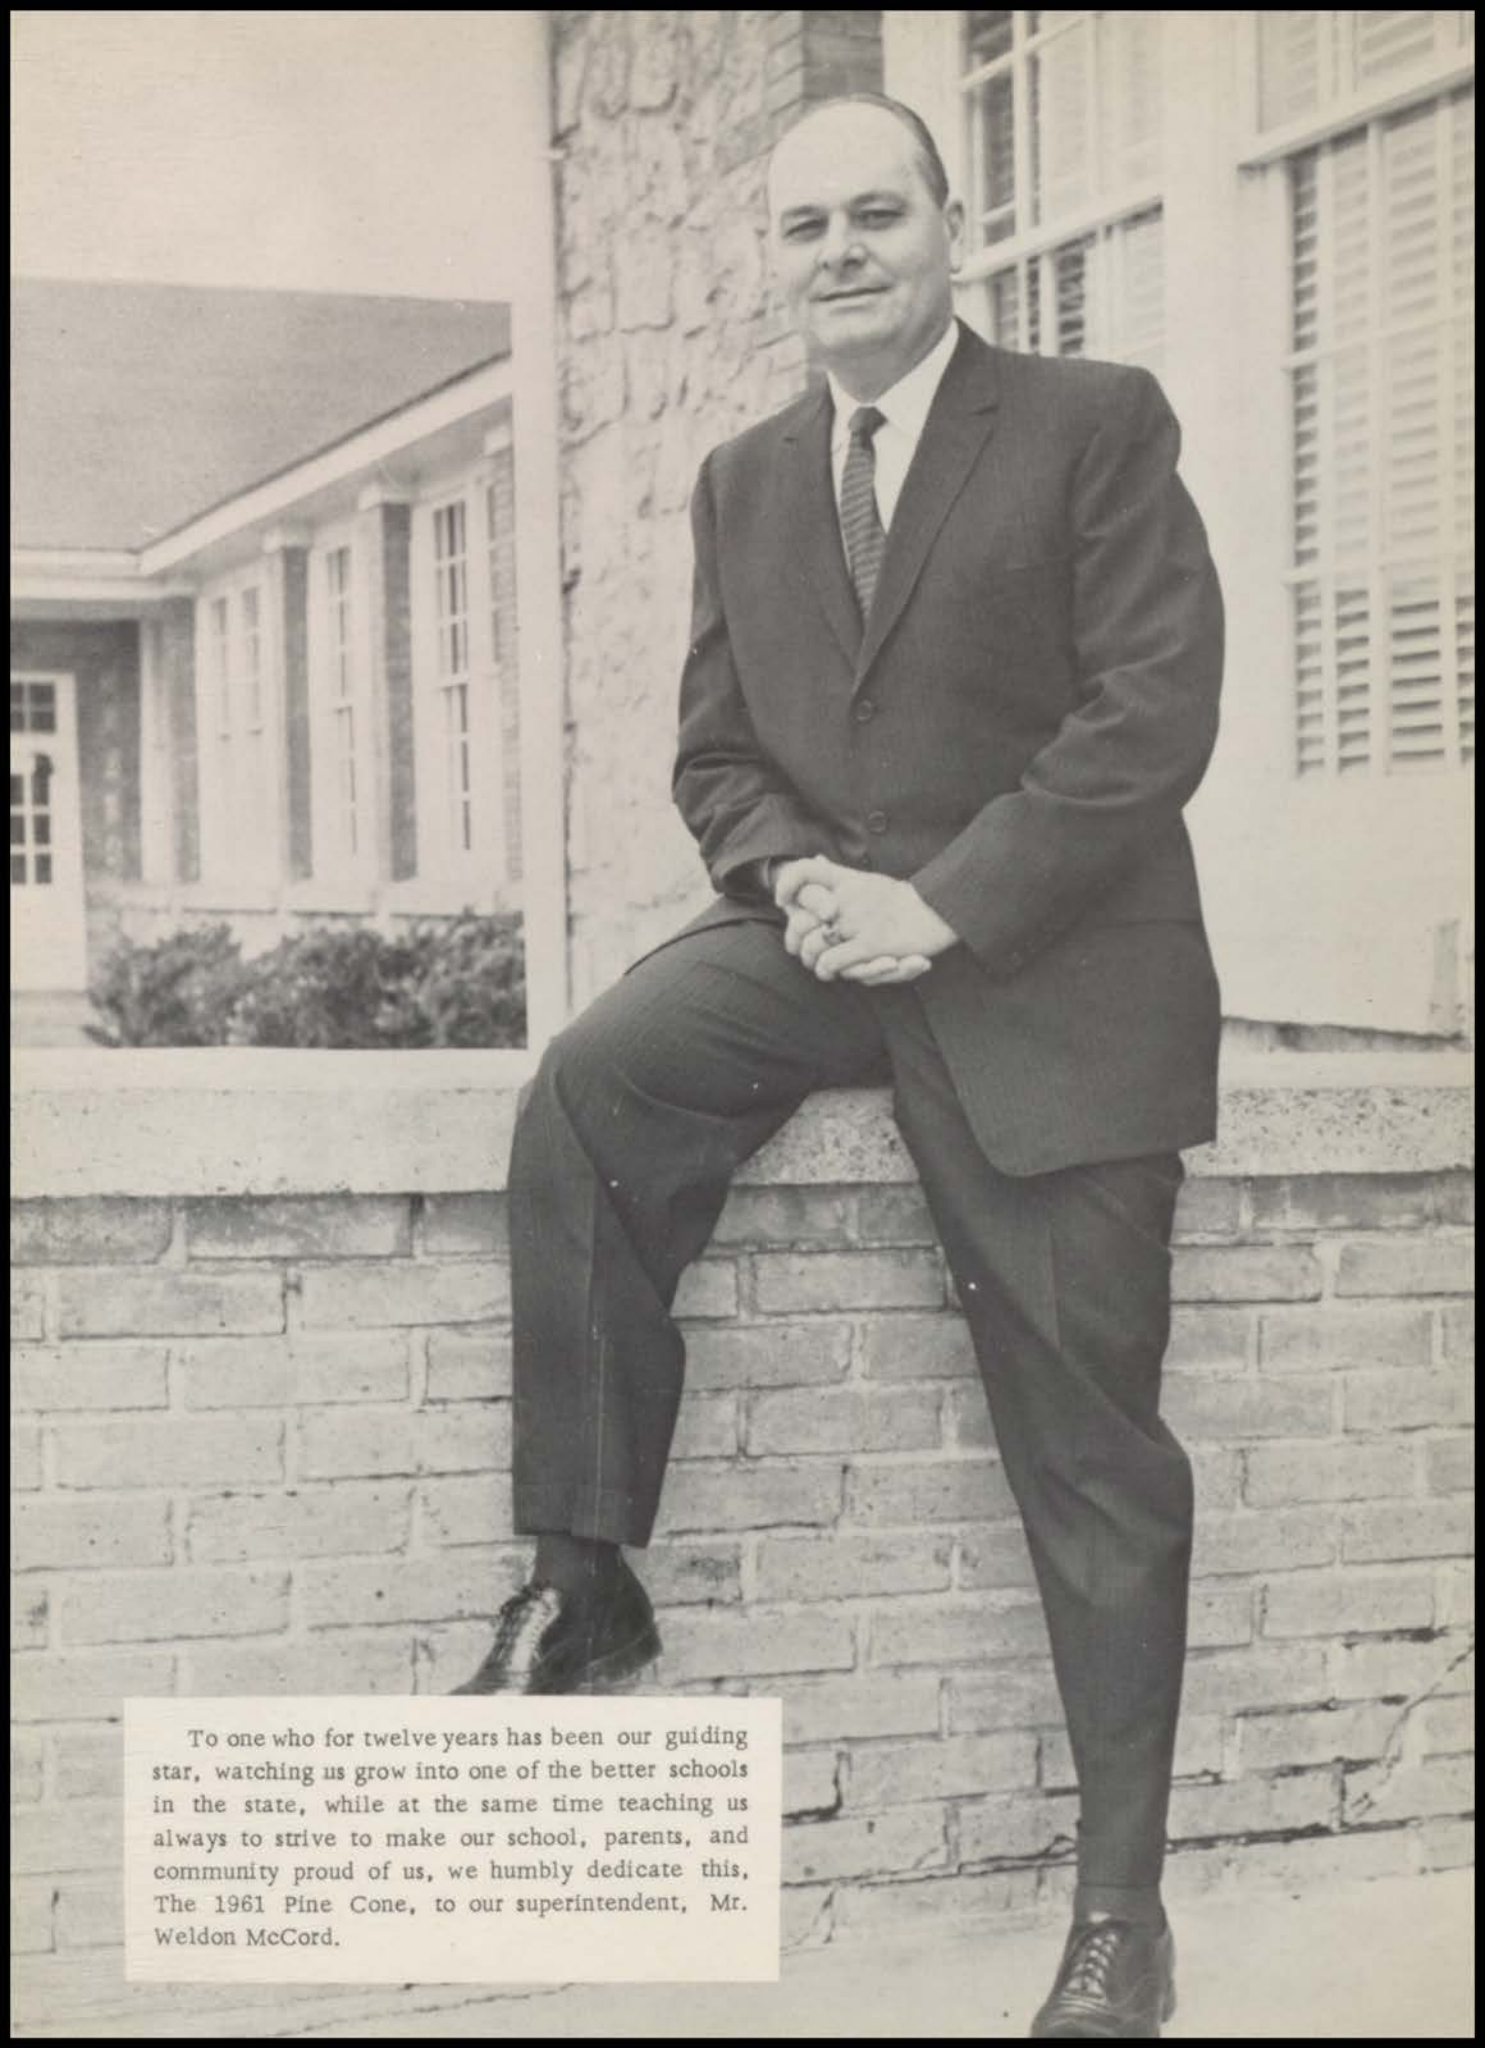

1960-61

NEW BOSTON HIGH SCHOOL

New Boston, Texas

FOREWORD

The year of 1961 has been one of work, play, and fond remembrances. Some doors have been opened, but many remain to be opened for you who will take advantage of your opportunities. As you recall your days at New Boston High School, you will remember days in which you eagerly anticipated the future; and the desire to revive past joyous experiences with your classmates, friends, and acquaintances will endear your high school yearbook to you. The 1961 Pine Cone will once again yield forth from its pages your high school experiences and your wonderful days spent at New Boston High School. Thus, may your 1961 Pine Cone become your dearest treasure.

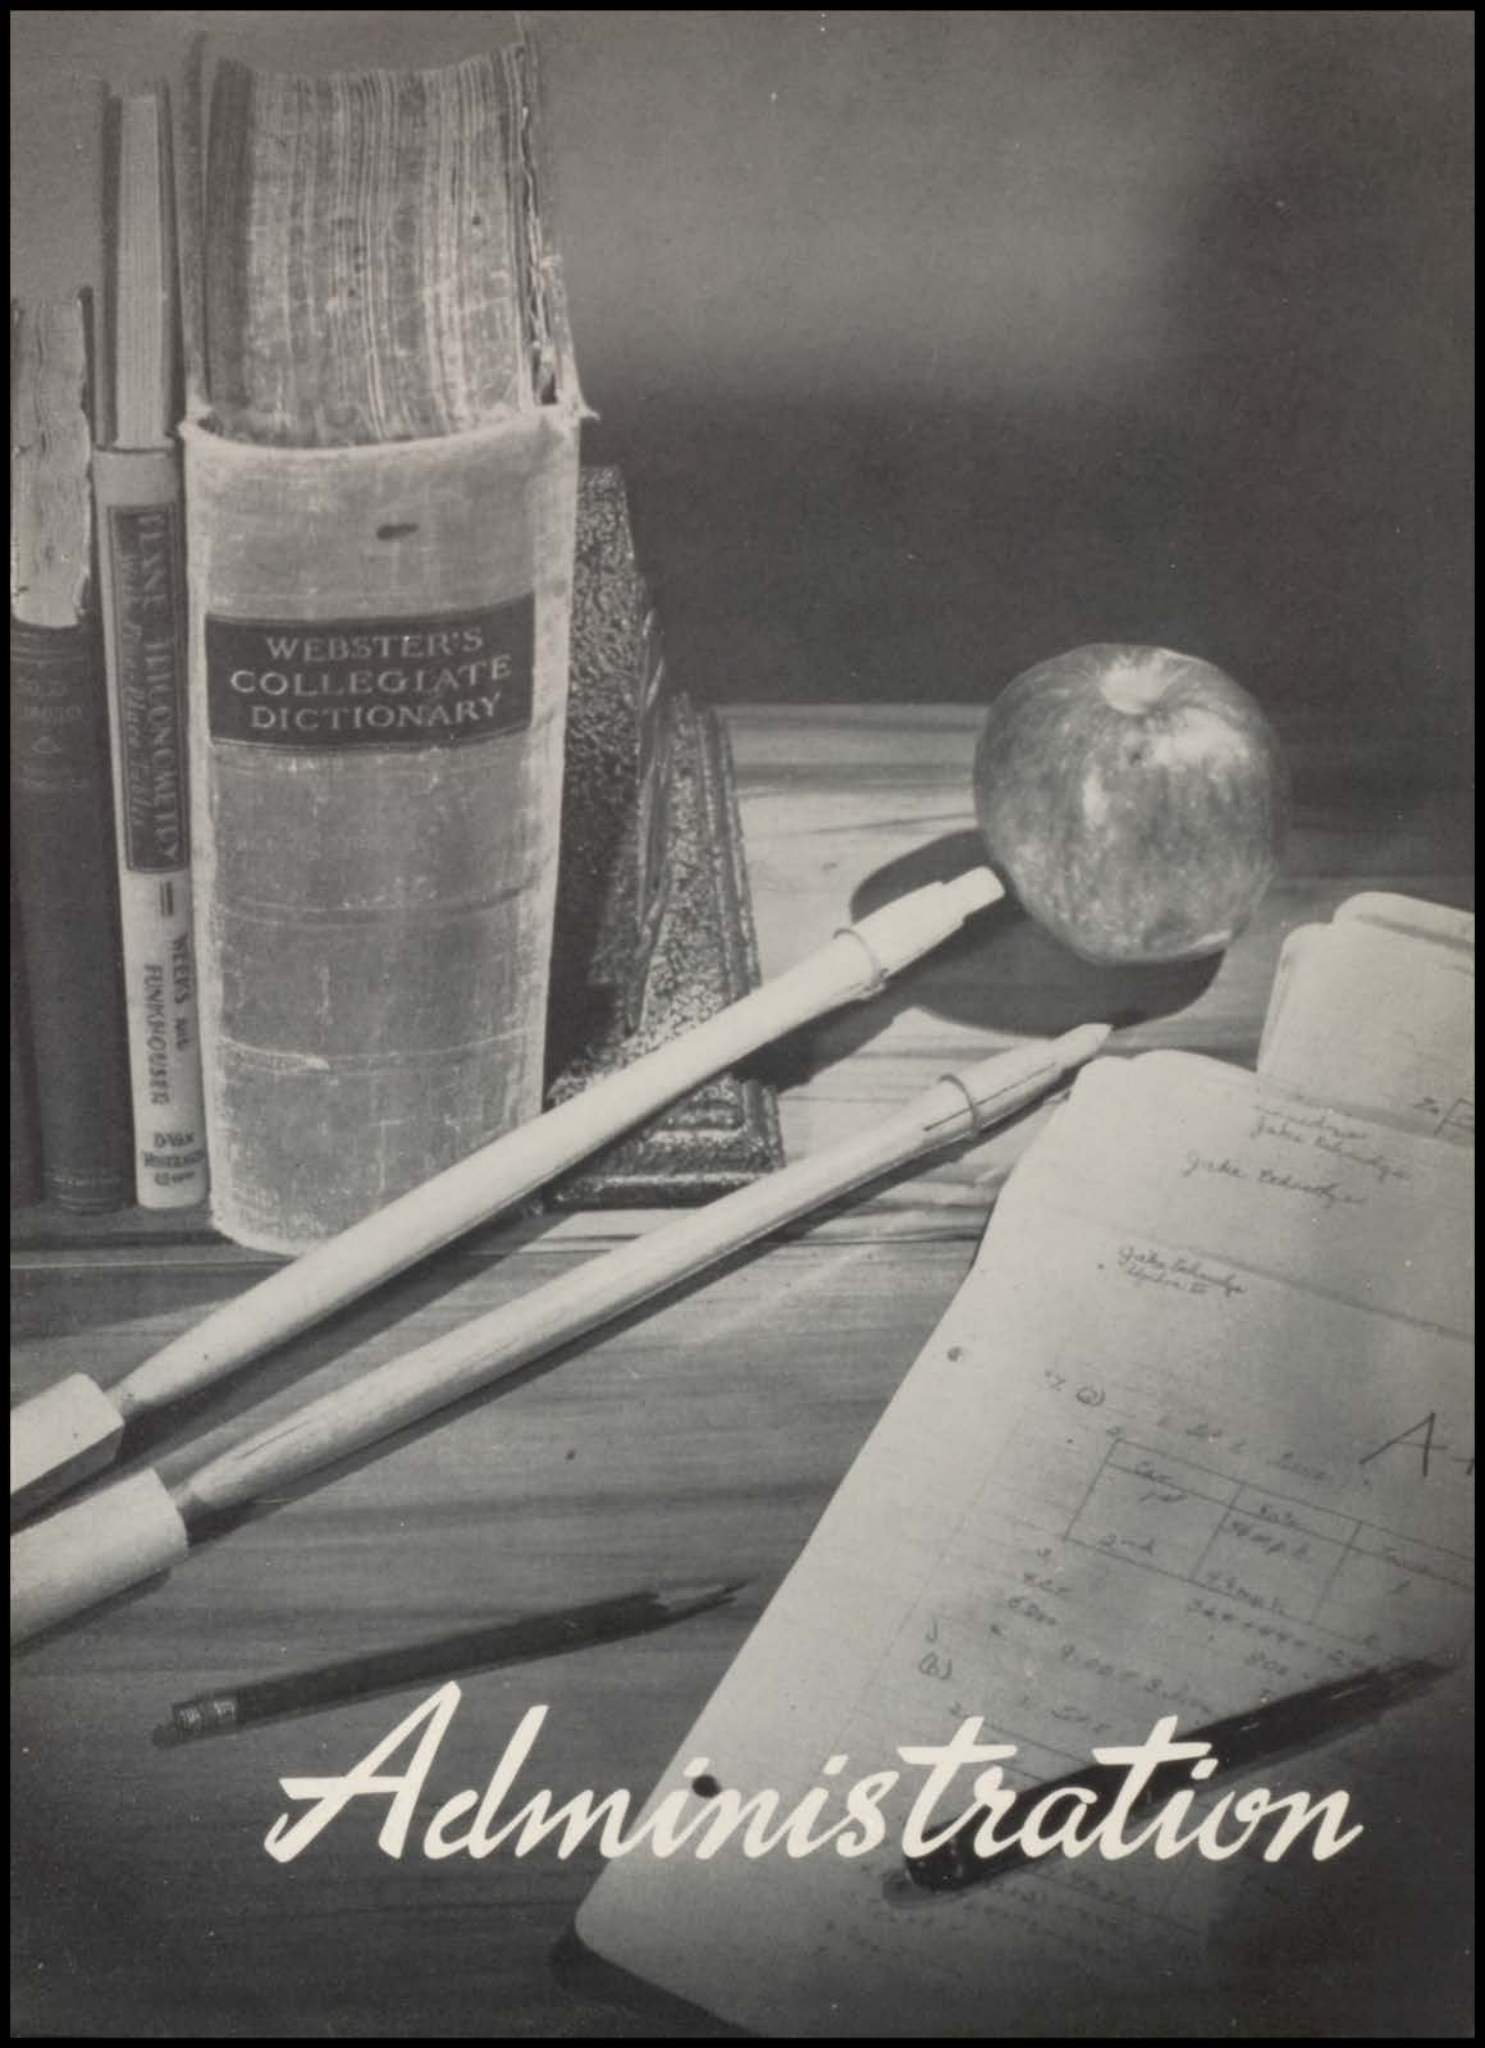

To one who for twelve years has been our guiding star, watching us grow into one of the better schools in the state, while at the same time teaching us always to strive to make our school, parents, and community proud of us, we humbly dedicate this, The 1961 Pine Cone, to our superintendent, Mr. Weldon McCord.

SUPERINTENDENT'S MESSAGE

SENIORS, let your first ambition be to help build a better community, a better nation, and a better world. Perhaps the greatest satisfaction that can come to you is the ability to accomplish something more than merely sustaining your own life. You can do this by serving others and looking upward.

F.F.A. CREED

I believe in the future of Farming, with a faith born not of words but of deeds-- achievements won by the present and past generations of Farmers; in the promise of better days through better ways, even as the better things we now enjoy have come up to us from the struggles of former years.

I believe that to live and work on a good farm is pleasant as well as challenging; for I know the joys and discomforts of farm life and hold an inborn fondness for those associations which, even in hours of discouragement, I cannot deny.

I believe in leadership from ourselves and respect from others. I believe in my own ability to work efficiently and think clearly, with such knowledge and skill as I can secure, and in the ability of organized farmers to serve our own and the public interest in marketing the product of our toil. I believe we can safeguard those rights against practices and policies that are unfair.

I believe in less dependence on begging and more power in bargaining; in the abundant and enough honest wealth to help make it so--for others as well as myself; in less need for charity and more of it when needed; in being happy myself and playing square with those whose happiness depends upon me.

I believe that rural America can and will hold true to the best traditions in our national life and that I can exert an influence in my home and community which will stand solid for my part in that inspiring task.

NEW BOSTON LION BAND

STEVE HEUBERGER, Director

As a representative of this school and this community, the Lion Band has, since its organization, and especially in the last five years, projected to the people of a great surrounding area a correct picture of the fine academic atmosphere of New Boston High School and the high interest of the city in the cultural and moral advancement of its youth. The superior musical ability of the organization is attested by its excellent record in numerous contests and festivals sponsored by the University Interscholastic League. In each of the past five years, the Marching Band has been rated in the 1st Division of regional marching bands; in each of the last four years, the Concert Band has been rated in the 1st Division of regional and concert bands. These accomplishments have certainly justified the title of "Sweepstakes Band." Numerous awards for the whole band is not an indication of the absence of any development of musical talent on the individual level, however. From the music curriculum of the school have come consistent All-State Band members, All-Region Band members, Solo and Ensemble Contest winners (In 1959, 52 competitors set an official regional record for copping 74 1st Division awards.), and students who plan to enter into a musical profession. The conduct of the bandsmen on annual spring trips, such as the trip to the Cotton Carnival in Memphis, Tennessee, has been complimented by those with whom they have come into contact and deemed "beyond reproach" by sponsors and chaperones of the Band Boosters' Club.

Under the direction of Mr. Steve Heuberger, a graduate of East Texas State College, the musical department is being strengthened by new ideas and the most recent pedagogical concepts. Indicative of this constant vigil to maintain proper instruction, the band was awarded in October, 1960, a position of runner-up in the state's many AA concert bands for the second consecutive year of judging in this class. Surely the success of the group lies in the fact that not only does it strive for improvement of musical ability, but for the improvement of the representation of New Boston and the improvement of character as well.

The 1960-61 Lion Basketball Team compiled a record which overshadows that of any other New Boston team in Class AA history.

In pre-seasonal play the Lions attained a record of 15-2. In addition, they brought home two tournament trophies - first place in Mt. Pleasant Tournament and second in the Daingerfield Tournament.

Coach Dick Rittman's Lions continued their victory march in conference play. Having secured the top position in the district comparatively early in the season, they continued their march forward. They completed the district competition with a 11-1 record, their only defeat coming when the team was hampered by the sidelining of 3 star players. This record easily gave New Boston the Class AA District Championship for the first time in history.

The team's leading scorers are David McCright with an average of 20 points per game and Boyce Grider with a 17 point average. Buddy Alford, William Stone, Red Holt, Frank Looney, and Frank Cox played outstanding defensive ball the entire season. Other members of the team include Billy Tuck, Tommy Sowell, Chester Pinkham, and Dusty Grimes.

On February 21, the Lions journeyed to Mt. Pleasant for the Bi-District play-off with Hughes Springs. The game belonged to the Lions all the way. Turning in their top defensive performance of the season, the Lions held the Mustangs to only 8 field goals. When the game ended the Lions had captured the Bi-District Championship by a score of 44 to 38.

The following week-end the Lions traveled to Denton for the Regional play-offs. They downed Cooper 45-26 in the preliminary game. In a close battle that night with Jacksboro, the Lions managed to take the Regional Championship by a score of 35-33. They are now eligible to enter the state play-offs.

The boys and Coach Rittman are certainly to be congratulated for their successful season.

GOOBER TEAM

Coach Albert Sutton's Goober League Team, which is composed of Freshmen, certainly consists of a group of talented, well-trained boys. This year for the second consecutive time they have captured the District Championship in their division. During the past two sessions, they have compiled a remarkable 37-2 record finishing both sessions undefeated in conference play. The team has averaged 50 points a game while holding their opponents to an average of 28. Since they have played teams from not only AA but AAA and AAAA schools, this record seems even more outstanding.

The team's leading scorers are Gerald Turner with an average of 17 points per game and Jimmy Curtis with an average of 15 points per game. Jimmy Vinson has also contributed greatly to the scoring. Outstanding on defense for the team are Steve Murdock, Bill Wynne, and Kenneth Banks.

Other members of the team include: John Martindale, James Sermans, Byron Eubanks, George Hill, Dan Shelton, Richard Thompson, and Joe Higgenborham, Manager.
