# Pathways Of Life

ADMINISTRATION and FACULTY

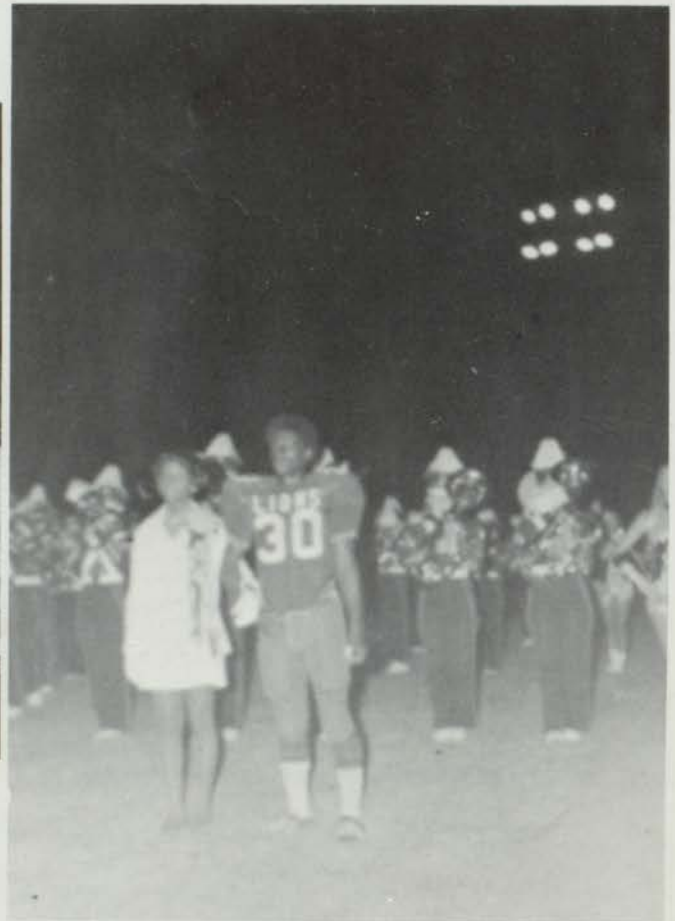

There are many pathways leading to growth. Accumulating facts from a textbook, acquiring a skill through repeat practice, learning a trade with help of an instructor - these roads to intellectual growth we encounter in school.

However, before we can use these things to work in the world, we must learn to live in it. At home and our recreational activities we are constantly learning to improve our social and personal relationships.

This book records some of the pathways we have traveled this year in our journey toward maturity.

Classes train and prepare for the pathways of life

Favorites are as important to school life as anything.

Do we have to study? We won't talk but a minute!

Senior girls practice for the tournament.

A daily scene at noon.

Another Award - DAR  
HONORABLE MENTIONS

Getting into the swing of things while selling ads.

# Faculty In Action

Seeing if everything is tight!

Goody! I'm glad I'm first!

There's enough for everybody!

Well, isn't that sweet!

Now, this is the way to do it!

Line up - one by one.

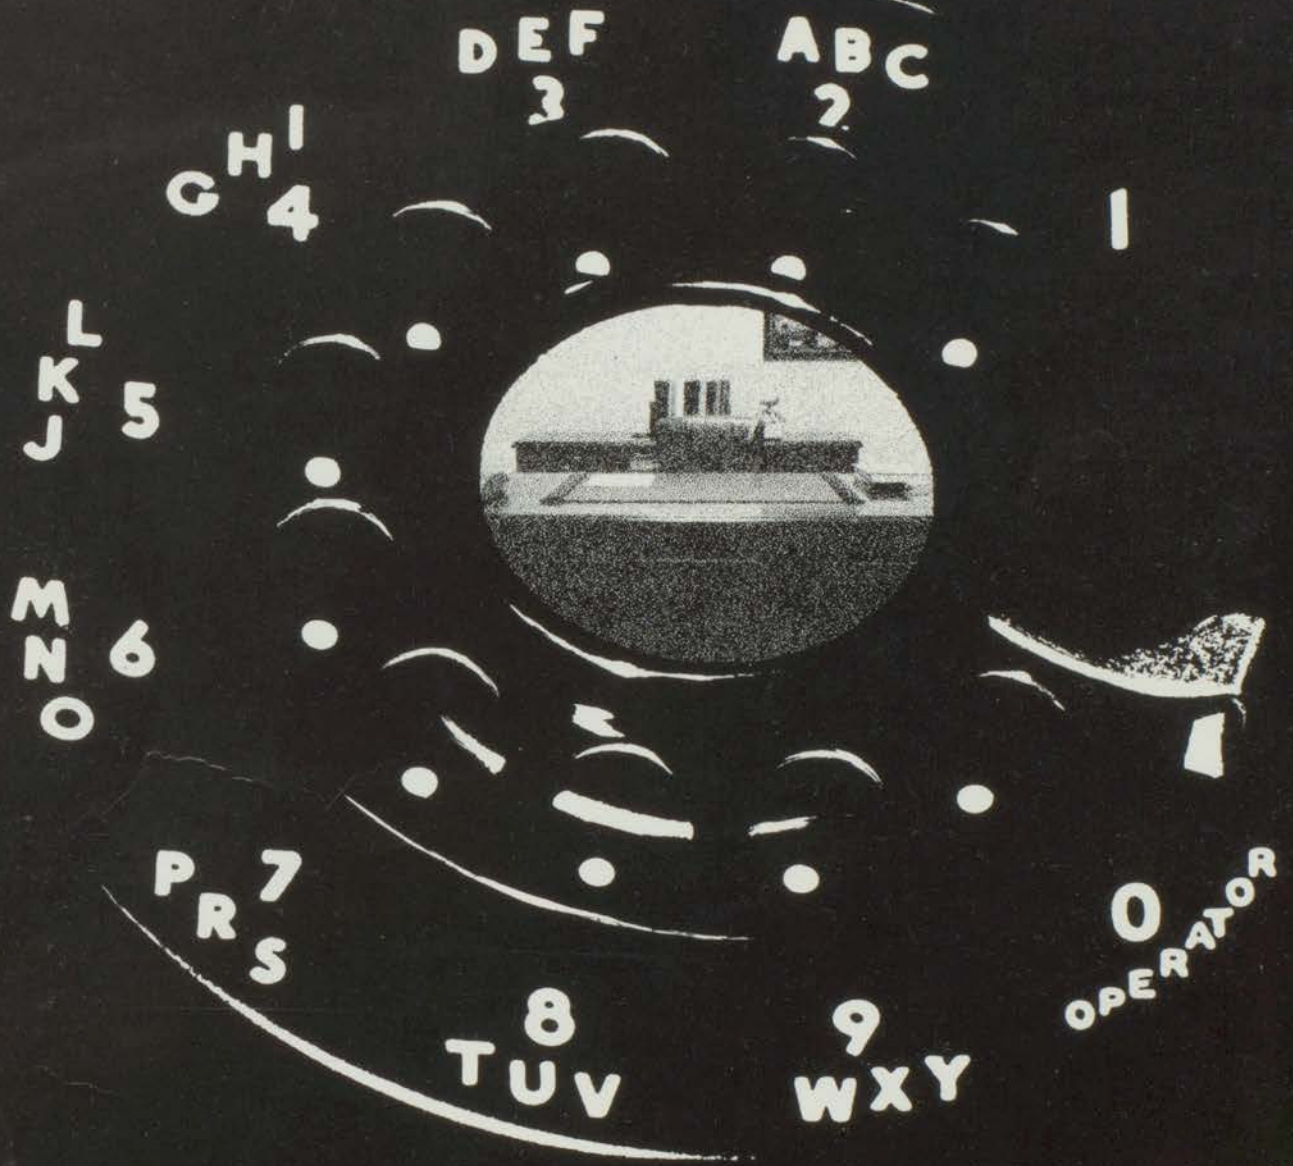

Try it! You'll like it!!

Is a chew all I'm gonna get?

It's the re - al thing!

ADMINISTRATION

# A Salute To Our Board Of Education

**TOM WHEELER**  
One of 7 Directors at Red River Army Depot. Mr. Wheeler is Director of Data System.

We want to express our sincere appreciation to you men who serve as the Board of Education for the New Boston Independent School District. We know that you are dedicated to the youth of this District and that you put forth every effort to see that each student is educated to the very best of his talents. We salute you for giving so freely of your time and efforts.

**BILLY BOB BIRDWELL**  
Owner of Birdwell's and also a Building Contractor.

**PETE PETERSON**  
Chief of Maintenance Branch Ammunition Division at Red River Army Depot.

**WELDON McCORD**  
Superintendent-of-Schools

**TIP F. JONES**  
Chief of Receipt and Issue Sections in Vehicle and Artillery Branch of General Supply Division, Red River Army Depot

**ARNOLD BARFIELD**  
Gulf Distributor and Part owner of Barfield's Furniture.

**BOB EUBANK**  
Chief of Storage Branch Ammunition Division, Red River Army Depot

**JAMES BARFIELD**  
Partner of the Accounting Firm, Trammell, Barfield, and Trout

Mr. Weldon McCord  
Superintendent

Hubert  
E. Simpson  
Principal  
New Boston  
High School

DORIS BROWN  
Secretary to Mr. McCord

MARY WORTHAM  
Secretary to Mr. Simpson

# New Boston High School Library Is Always Busy

The library serves as a media center for the school. Books are available to the students to enrich their knowledge not only of the subject matter taught, but a storehouse of information on various phases of society. The library also contains filmstrips, records, tapes and transparencies for the teachers to use in enriching their programs. Thus the library serves both students and teachers.

MRS. NAN LONGINO  
Librarian

Student assistants Anne Oglesby, Margie McVay, and Brenda Barfield getting books ready to put out.

The Annual and the Roar are also put out by Mrs. Longino.

## NBHS Band Creates Much Interest

The band added to the football games and also created more interest than any other year. The band enjoyed the popularity acclaimed it by winning more honors, medals and its participation in community affairs.

Bobby Goff - DIRECTOR

The members of the band getting ready for their annual concert.

# English, Speech, And Spanish Departments

English ...

The grammar phase of English provides the necessary background and knowledge which all our subjects revolve around. Every student has the opportunity to learn about and appreciate the finer cultural things in their society.

Speech ...

Speech classes familiarize students with the proper methods of debate, prose interpretation, and poetry interpretation. In order to address the public in varied situations, the student must first gain self confidence through practice and research.

VELMA VINSON  
Senior English

PATRICIA BUTTRAM  
Junior English; Speech

# Add To Our Culture.

LINDA KING  
English; CVAE Spanish

GLENDA WINSTON  
Sophomore English

Spanish ...

A knowledge of the Spanish language provides a key to the better understanding of Spanish and Latin-American cultures. It acquaints the student with Spanish accent on America.

HAZEL SHADDIX  
Typing and Book-keeping

VELMA VINSON  
Shorthand

## Business Department Trains Student To Meet The Future

# Science And Math Departments

The science department provides the means of broadening the student's perspective to a range which allows him to progress even further in the search for the unknown.

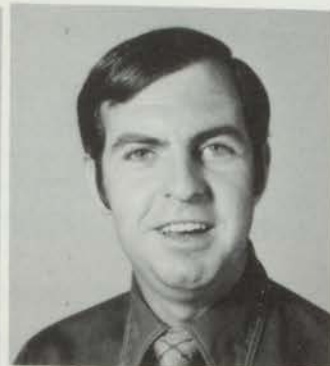

The math department of New Boston High School provides the ways to enrich the mind about math, algebra, and geometry, and for those who want to continue the enrichment of the broader forms of mathematics.

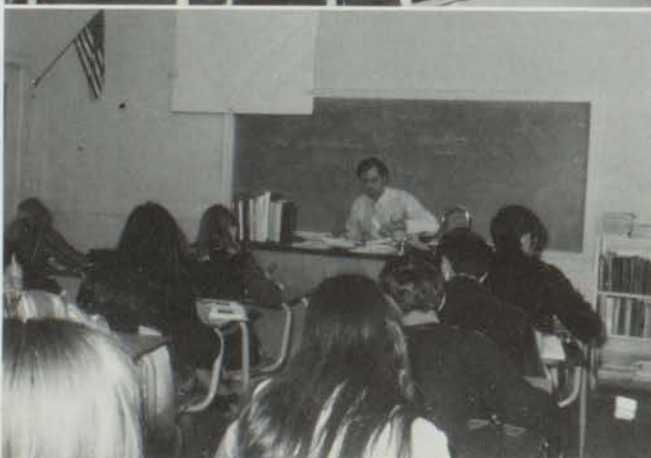

THOMAS HAWKINS  
Physics; Trig; Algebra

MERIKAY HAWKINS  
Math

JOHN DEMPSEY  
Biology, Chemistry

# The Social Science Department Keeps A Pace With The Times

JUANELL CAGLE - A. Hist.  
JAMES WESTFALL - Civics  
WAYLON BUCHANAN - W. Hist.

American History is presented so that the study of our nations' heritage is as vital, challenging, and effective as possible. Knowledge and skills are part of the intellectual equipment of the educated mind. History provides one of the best opportunities for students to practice and gain increasing mastery of these essential intellectual tools. Understanding of the past can make the present intelligible. Students will seek in the history of their country a background which can be relevant to America today.

Civics classes gave the students the opportunity to become acquainted with their government and its backbone - the constitution. Current events helped them to keep abreast of what's happening in today's world.

## New Boston High School Athletic Department

WAYLON BUCHANAN  
Head Coach

JAMES WESTFALL  
Head Basketball Coach

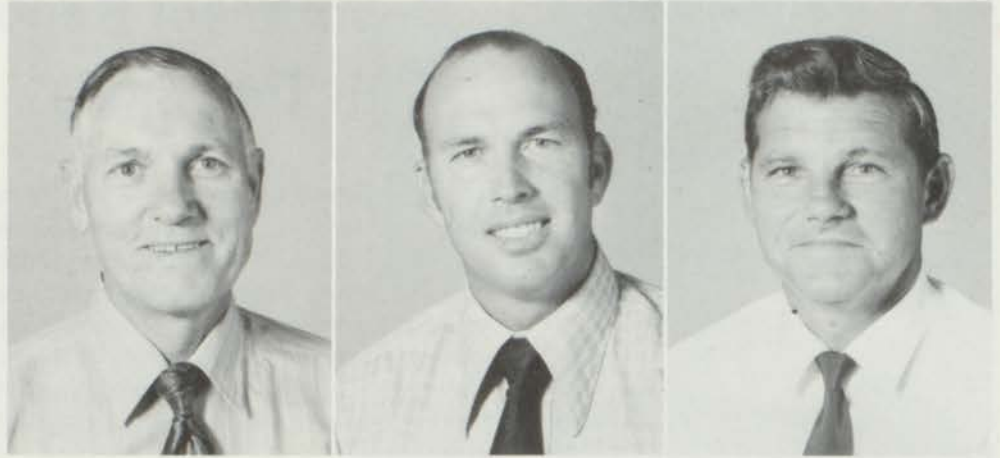

MILTON MINTER  
Ass't Coach

# New Programs Add To The

J. P. VINSON  
Counselor

OTTIS FOX  
Vocational  
Counselor

ROY CAGLE  
ICT

The Counseling Department gives achievement and aptitude tests and interprets these to the students. Information concerning colleges, universities, and careers are provided, especially with senior students in mind.

The Industrial Cooperative Training is a cooperative effort between the school and industry to train our in-school youth, for gainful employment in a skilled occupation.

The Co-ordinated Vocational-Academic Education has two units: one for girls and one for boys. The students spend two hours each day in a shop or work laboratory. The boys are taught skills in the general construction trades of carpentry, electricity, plumbing, painting, cement finishing and masonry. The girls receive training in the homemaking related field of Home and Community Services.

This year the Distributive Education and the Mechanical Repair Shop was begun. In D E students train on the job for one half day in the areas of selling, marketing and distribution. In the lab phase of D E the students learn the areas of selling, marketing, and distribution in the classroom. In General Mechanical Repair Shop the boys train in the areas of small engine repair, welding, automotive repair and appliance repair.

# Curriculum At New Boston High School

Coordinator

## Homemaking Makes Homemakers

The agricultural classes keep pace with the times by studying the latest methods, mechanics, and management of agriculture. The program also includes experience programs, fairs, exhibits, and contests.

MARY JO LEWIS  
Homemaking;  
Consumer Education

## Agriculture Keep Pace With The Times

Preparing a girl for her role as a wife, mother, and homemaker, homemaking provided many opportunities for experience. A complex subject, it was divided into clothing, good grooming, personality, manners, food, buying, and interior decorating.

JAMES EARL LEWIS  
Vocational  
Agriculture

Dress-Up Day

The Ring Thing with Seniors.

Shorthand Students hard at work!

Seniors take a break!

Julie finally wore  
a dress!

Do seniors really  
study?

A drawing for a ham or turkey was held by the Seniors at Christmas.

## Senior Christmas Play

Hark! the Herald Angels sing while wise men adore Baby Jesus.

The Senior Girls Choir sang Christmas music throughout the play.

While shepherds watch are keeping ...

Mr. and Mrs. Santa and elves read letters to Santa.

Patty tells the Christmas story from the Bible.

REPORTER - - - - - Joel Wagner

The 1971-1972 school year marked the introduction of the new CVAE General Mechanical Program in the New Boston Schools. This program was brought about as a result of the ever increasing demand for skilled laborers in the fields of trade and industry. Through this program, students have better prepared themselves for employment in the years to come. This program also emphasizes the importance of honesty, knowledge through education, dependability and learning by doing. It is truly a rewarding organization for the students.

MOTTO: Preparing today for the world of work.

**SWEPSCO**

... in tune with you

We like to think we're on the same wave length—doing our thing so you can more easily do your thing. We, too, are concerned about the environment, pollution, the population explosion, slum eradication . . . the same things that bother you. That's why supporting local community efforts, school activities, club work is second only to our primary job of supplying low-cost, dependable electricity.
