The L. P. Sturgeon Chapter of the National Honor Society has worked hard this past year to uphold the standards upon which membership is based. Some of the activities involved in were the Jerry Lewis Labor Day Telethon, in which the eleven original charter members worked with Mr. O. Pinion around-the-clock to help attribute to the success of the telethon. Also, a style show entitled "Winter in Review" was held at the Community Center. The young ladies of the chapter modeled fashions from Ann's. The Honor Society members also helped the City of New Boston in acquiring a block grant by conducting a survey of the citizens of New Boston. Members also helped serve lunch for the Walk-a-thon participants held on Red River Army Depot. They also chose Student of the Month.

The National Honor Society members enjoyed this year very much by working together for the betterment of our school and community.
