FOREWORD

The pictures within have caught these mirrored reflections of our school. May you enjoy now and in years to come the work and fun experienced here.

Why Borden is fussy...

It takes more than a grand old name to make it big with the up-and-coming generation. That's why Borden goes beyond the minimum quality standards set by federal, state and city regulations. In purity, freshness and flavor, every Borden dairy food is better than it has to be. For over a century now, each generation has expected more from Borden. We see that they get it.
