NEW BOSTON HIGH SCHOOL

NEW BOSTON, TEXAS

**FOREWORD**

If we're together there'll be no empty lines,  
 But pages filled with fun and good times.  
 The story this past year will tell —  
 Of one we'll all remember well.

And if by chance we meet again  
 The time we have to pass, we'll spend,  
 Engaged in talk of "remember when"  
 And what good friends we all have been.

# Why Borden is fussy...

It takes more than a grand old name to make it big with the up-and-coming generation. That's why Borden goes beyond the minimum quality standards set by federal, state and city regulations. In purity, freshness and flavor, every Borden dairy food is better than it has to be. For over a century now, each generation has expected more from Borden. We see that they get it.
