Will work for food!

Is that vandalism or art?

Pimps, players, or rocket scientists?

What's really in those rockets?

# HOMECOMING '97

Homecoming 1997 was a year of change. The process of selecting the princesses was once again altered. This year only senior girls could serve on the court. The senior class nominated seven princesses, yet all NBHS students still had the opportunity to vote for the queen. Amanda Ballard was crowned Homecoming Queen, 1997, on a night when the New Boston Lions and DeKalb Bears added another chapter to the oldest rivalry in Texas. The mighty Lions were victorious over the Bears and brought the "traveling trophy" back home.

Amanda Ballard, escorted by her father, was crowned 1997 Homecoming Queen by Brent Chadwick and Roye Barber.

FINAL SCORE  
34-12!!

Victorious Lions commend Bears for their effort.

## Spirit Week '97 - NB vs Dekalb, Looking for a Victory

Here comes trouble.

Spirit Week 1997 coincided with the week of Homecoming. Students and sponsors poured hours of work after school into decorating their respective halls for the spirit competition, which the junior class won with their theme, "Hang the Bears Out to Dry." On the Wednesday night before the game, several fearless students, along with Ms. Barrett and Ms. Purtle, stayed the night to protect the grounds of NBHS from DeKalb vandals. The outpouring of spirit and camaraderie among the student body was in the air Friday night as the Lions stomped the Bears in the oldest rivalry in Texas.

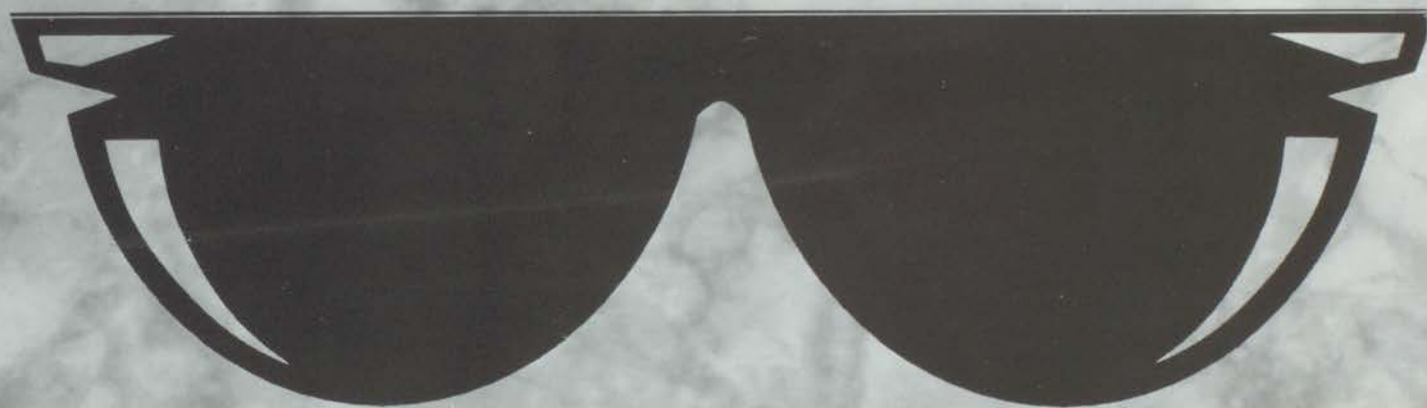

Say cheese!

Oh what a night!

Weeding Rose Garden

Future Homemaker Members participated in several regional and state projects this year. One program was Y.E.S. (Youth Exchanging with Seniors) which expresses positive intergenerational relationships involving youth with senior citizens. Members "adopt" a senior citizen and visit them on a regular basis. Members also participated in Earth 2000 in which ways to promote environmental improvement was addressed. Members collected soft drink cans and gave them to the Western Bowie County Cooperative Special Education Class. Those students sold the cans and used the money to help finance extracurricular activities. Members also maintained the rose garden outside the home economics building which was planted by past FHA members.

Easy, Breezy, Beautiful NIKE girls!

Yes Cheryl, you should have done this last year.

Katie, maybe you should try a little mousse in the mornings.

Lia, can you pick up MTV with that hair?

Is NIKE really worth all of this?

The initiates fulfill their dream of performing "ding, ding, ding," in front of the student body.

# NIKE Progressive Dinner

The NIKE members held their annual progressive dinner during the Christmas holidays. First, the girls went to Kelli Brown's house for appetizers. Then they traveled to Shae Hane's home for salads, then on to Amanda Ballard's for the main entree. After a wonderful meal of chicken spaghetti, the girls went to Stephanie Jones' house for a wide variety of desserts. To end the evening, the NIKE members exchanged gifts at the home of Amanda Hall.

As a project this year, NIKE members prepared stockings for the self-contained class. These stockings distributed to the students at their annual Christmas party, as Santa Claus arrived.

Kricket, how many tears did it take to get you here?

Amy, can't you please your man?

1600 Meter Relay Team: Antwaine Williams, Thomas LaToof, Dale Fisher, Cody Skinner.

This year's Lion 1600 meter relay team ventured where no team before them had gone. Aside from winning numerous races in the Northeast Texas area, the team won the district competition and placed second at regionals in Commerce. The highlight of the year came when the team was invited by the University of Texas at Austin to compete in the Texas Relays in April, which the team of seniors Antwaine Williams, Thomas LaToof, Dale Fisher, and junior Cody Skinner won. The team also set the NBHS school record with a time of 3:16.40 at the White Oak Qualifiers Meet.

Although it started in May '84, it seems like yesterday when we caught a whirlwind that skipped from Songtan City, Korea to Texas to Germany and back to Texas 5 years later. In June '91 we were off to Okinawa, Tokyo, and Mt. Fuji, Japan, Hawaii and back to your birthplace in Songtan City in July '96. You got your wish to graduate high school at "home" in Texas, and you were able to visit several cities across the USA from DC to California. This exposure to diverse cultures and different environments should enable you to deal with any situation where God might order your steps. Don't worry if frustrations come, because things will fall into place as you become more and more aware that you are blessed with superior academic abilities. Now that you are "getting ready to rumble" I hope you will maintain that warm and cheerful attitude that you are known for. The USDA Scholars Program has agreed to fund your education through the doctorate level, along with 4 years of progressive employment when you decide to graduate. Although this award is based on your academic performance and observations of your potential to excel, remember that it would not have been possible without sustained and coordinated efforts from Mr. Al Hall (DC), members of the "Lion's Den" and Program Administrators down at "Pantherland." Remember your 7-UPS, (wake-up, get-up, dress-up, wise-up, etc.), and when times get rough, you are familiar with the words recorded in Isaiah 40: 28-31.

## A Last Look by Ms. Pace

When I agreed to become the yearbook advisor seven years ago, I never dreamed it would be such a difficult task. There have been a few changes and, hopefully, some improvements over the past few years. The number of books sold each year has increased. Senior ads have grown from two pages in 1992 to 22 pages this current year. I am proud to say that the size of our book has increased by 40 pages over the past seven years without an increase in price to the students. I have been told by area residents that New Boston High School has the **best** yearbook of any 3-A school in our area. The credit for that goes to all of the yearbook staff members who have worked so hard over the past seven years. Thanks to all of you for giving up part of your summer to insure that *everything* was covered in our yearbooks. I would like to thank Mrs. King for all of her help during that first year I took on this monumental assignment, and I wish Ms. Purtle lots of luck next year on creating an even better yearbook. It has been fun and a lot of hard work. I hope all of you enjoy this year's annual which definitely has taken on a *different look*.
